Syracuse Green Infrastructure Conference

Green Roofs are an important part of any green infrastructure. Our fearless leader and principal, Jorg Breuning, paid a visit as a guest lecturer to bring insight to future planning.

Lancaster School District Green Roof Report Card

It's that time of year for parent teacher conferences and green roof are no exception. Find out why we had to give this school district a barely passing grade.

New Magazine!

Can't get enough roughage in you reading diet? We're here to help! We're launching Green Instance: The International Review of Living Infrastructure magazine!

Millennium Science Park

Curious about studying green roofs at Penn State? Here is an inside review of the program through Green Roof Technology's rookie designer Andrew Cole Yanders.
